Dear Colleague,

Regional Party Awards 2025

I am writing to invite nominations from your Local Party to our annual Awards to be presented at the Autumn 2025 North West Conference in October.

The **Tony Greaves Award** was introduced four years ago and is there to recognise a truly community-based campaign – which could be large or very local.

Most years we also invite nominations for the President's Regional Honours in the summer. As the region is moving from a "February and October" pattern of conferences to a "July and November" pattern, the President's Honours are being moved to the Summer event so you have a little longer to consider a good local nominee or two.

Nominations should be made by either a local party executive or by 5 party members (in either case with supporting reasons).

Since the pandemic, the region has moved to nominations being sent in by email (copy in your fellow local party officer or the co-signatories to a five member nomination) rather than by post.

Yours truly,

Tim Young
Secretary
North West Liberal Democrats
